

## USA / Canada / Mexico - Decora® Rocker Switches, 15 Amp.

### Residential Grade Decora® Switches

#### Specifications and Features

##### All Decora Switches

- Switch frame shields against dust and fits in wallplate to prevent rocker binding
- Terminal screws accept up to No. 12 AWG copper or copper-clad wire
- Quickwire® push-in terminals accept No. 14 AWG solid copper wire only
- Sturdy construction for long service life
- Full-rated current capacity with tungsten, fluorescent or resistive loads. Motor capacity is 80% of switch rating
- Complements every décor

##### Illuminated Decora Switches

- Illuminated switch rocker illuminates when load is OFF
- Pilot Light switch rocker visible when load is ON, even in bright light
- Illuminated switch does not require a neutral; Pilot Light Switch requires a neutral

##### Imprinted Decora Switches (Available on special request only, please contact our sales office)

- Stock Decora switches available (USA) with choice of three imprints on rocker: FAN, DISPOSAL, OIL BURNER
